Dear Mr. [Redacted]

I very much appreciate your memorandum of 16 February furnishing the excellent background information on an individual who possibly may be of interest to us.

I am asking my representative in the country concerned to check into the matter a bit and see if your friend plans to stay on where he is at present residing. If so, we may wish to get in touch with him. In the meantime, should you happen to hear anything from him concerning his future plans it would be helpful if you could pass the information on to us. We would be most appreciative.

With best wishes.

Sincerely,

SIGNED
